**Background Note:**

Sponsored by the Rotary Club of Wheeling W.Va., the Rotary Club of Huntington was founded in 1915 with twenty-nine founding members assembled from local businesses. The Rotary Club (now Rotary International) was a social club created to organize and conduct community service through networking business groups. Since its inception, the Huntington Rotary Club has helped to direct community efforts by creating and sustaining Huntington’s assortment of recreational parks, providing volunteers for charitable organizations such as the Salvation Army, and providing opportunities for locals with projects like the Rotary Youth Disability Camp and the Rotary Club of Huntington Marshall University Scholarship. Several of its members have progressed even higher within the Rotary hierarchy occupying positions of District Governors and two Rotary International Presidents. For over one hundred years the Rotary Club of Huntington has worked toward improving the quality of life in Huntington.

**Scope and Content:**

The collection includes an assortment of Rotary business files, artifacts, and images. It contains a variety of correspondence, meeting records, membership forms, awards, newsletters, memos, financial documents, newspapers, bulletins, and various Rotary artifacts including Rotary flags, proclamations, and Rotary themed desktop items. The collection showcases the Rotary Club of Huntington's influence both in the Huntington area and within the district and international Rotary community. Many of these files, although mostly dating from time period of 1990-2015, do contain records and documents dating as far back to the founding of the Rotary Club of Huntington in 1915.

The collection has been divided into 11 series to organize its assortment of various administrative files.
